

CVR College of Engineering

Overview

CVR College of Engineering is one of the leading engineering colleges in Telangana. The institution offers undergraduate, postgraduate, and doctoral programs in various engineering disciplines and is known for academic excellence, research, innovation, and placements.

Student Centre

The Student Centre is an independent four-storied building with:

- Canteen
- Gymnasium
- Indoor Sports Facilities
- Medical Centre
- Placement Office

The Student Centre serves as a space for students to eat, meet, and engage in recreational activities alongside their academic pursuits.

Recent Highlights

- CVR published one patent per day in 2025.
- CVR's Institution Innovation Council (IIC) received a 4-star rating.
- CVR introduced new programs in Electronics Engineering (VLSI Design and Technology) and Information Technology.
- CVR established an Apple Lab.
- CVR introduced M.Tech programs in Artificial Intelligence and Data Sciences.
- CVR hosted one of the world's largest hackathons.
- CVR students performed exceptionally at the Smart India Hackathon.
- CVR was selected for NewGen IEDC.
- NIRF placed CVR in the 101-150 category multiple times.
- Dr. Sengathir, Professor of IT, was recognized among the world's top 2% scientists by Stanford University.

Rankings and Recognition

- Ranked among the leading engineering colleges in Telangana.
- Ranked AAAA by Careers360.
- Ranked among the top engineering colleges in India.
- Rated 4.5 out of 5 by Career Connect.
- Received the National Employability Award for ten consecutive years.

- Ranked as one of the best private engineering colleges in Telangana.

Courses Offered

B.Tech Programs

- Civil Engineering
- CSBS
- Computer Science and Engineering (CSE)
- CSE (Artificial Intelligence and Machine Learning)
- CSE (Data Science)
- CSE (Cyber Security)
- Electronics and Communication Engineering (ECE)
- Electronics Engineering (VLSI)
- Electrical and Electronics Engineering (EEE)
- Electronics and Instrumentation Engineering (EIE)
- Information Technology (IT)
- Mechanical Engineering

M.Tech Programs

- Artificial Intelligence
- Data Sciences
- Electrical Power Engineering
- Embedded Systems
- Structural Engineering
- VLSI Design

Ph.D Programs

- Computer Science and Engineering
- Electronics and Communication Engineering

Placements

The Centre for Student Services and Placement provides students with career guidance, placement support, and professional development opportunities.

Infrastructure

- Campus
- Library
- Sports Facilities

- Computing Infrastructure
- Laboratories
- Hostel Facilities
- Student Centre
- Health Centre

Achievements

- UGC Autonomous Institution
- NAAC 'A' Grade
- NBA Accredited for seven UG Programs (Tier 1)
- AICTE Approved
- Record Placements

Research and Innovation

CVR actively promotes research, innovation, patents, entrepreneurship, and industry collaboration through various academic and innovation initiatives.

Alumni

CVR has a strong alumni network with graduates contributing to industry, research, entrepreneurship, and higher education.
